Follow Up Visits and Quality of Care

- When I arrived for each session, my appointment began on time.
- I was consistently on time for my appointments.
- At follow-up visits, I received enough individual attention from staff.
- My home exercise program was updated frequently.
- I understood the progression of my home exercises.
- I did all that my therapist asked me to do to help myself get better during my course of treatment.
- I had a clear understanding of my responsibilities & precautions for my diagnosis.
- I felt treatment progressed appropriately.
- I felt my physical therapist communicated with my physician regarding my progress.

Care and Outcomes

- The therapists showed me how I improved from my first visit to my last.
- I was given clear instructions on my last visit for strategies regarding my condition.
- I would recommend Function First Physical Therapy to friends and family.
- I will encourage my doctor to refer more people to Function First Physical Therapy.
